COVENANT UNITED METHODIST PRESCHOOL

CERTIFICATION:

Covenant United Methodist Preschool opened in the fall of 1997. Prior to opening the school was awarded a license by the Department of Health & Human Services (Montgomery County) as a Private Educational Institution and a Certificate of Approval by the Maryland State Department of Education.

PURPOSE:

Covenant United Methodist Preschool is based on the belief that every child is a person of worth and is created in the image of God. We encourage the emotional, social, intellectual, spiritual, and physical development of each child by using age appropriate curricula. The children will have the opportunity to learn, share, take turns, and to respect the rights of others. The combination of the curriculum and the environment will encourage the children to develop Christian attitudes and behaviors.

STAFF:

The preschool teachers are required to have a bachelor's degree or master's degree and experience with young children in a preschool setting. The assistant teachers must possess a love for children and knowledge of early childhood behavior. Staff are required to be trained in First Aid and CPR in conjunction with annual early childhood educational workshops.
