“Love – What Matters Most”

Welcome and Announcements

Prelude

Call to Worship/Opening Prayer:

One: Love.

Two: Without it we are like clanging cymbals

One: We can speak like prophets,

Two: but we still have to **love**.

One: We can build great buildings,

Two: but we need to love.

One: We can preach and pray, thank God everyday,

Two: but we must love.

One: Be patient and kind,

Two: with no envy in mind,

One: Don't be rude or resentful;

Two: don't insist on your own way,

One: How can we live without it?

Two: How can we sing without it?

One: Who can serve God without it?

Two: We just stopped by today so that God could remind us to

All: Love!
